I saw confused looks. People don't know what RFRA is...item for later.

Interesting -- that's Julia's assessment of why the switch isn't as bad as some portray it

I'm meeting at 10 today with a large group of pipeline opponents. At request of Kay Riebold (do you know her?) who was relentless. Brief meeting before our policy meeting - in case you can join and want to.

Thanks but I'm afraid I'm bottled up on HB2 once more, like Groundhog Day

I assumed so. Fingers and toes crossed.
